To love Christ and make Him known

April 2020

Dear Friends,

I'm very excited to let you know that our Sunday services can now be accessed by phone. Simply call (01228) 588203 at any time.

There is no extra cost to using this - just the cost of calling a local number, which for many of us will be free. (There is a very small costs to church to run this, but we are keen to support everyone who doesn't use the internet.)

Each week we will put up a 30 minute version of our Sunday service, including the welcome and opening prayer, our church family news, confession and assurance, intercessions, Bible reading and sermon. All these will be exactly the same as the ones which go out online. The service will be changed late on a Saturday, so that the new one will be there from Sunday morning for whenever you want to listen to it - at 10am as the rest of us gather, or at any other time, or through the week.

If you have any problems accessing this, please do phone the office on 01228 515972 and leave a message, so that one of our congregation members can be in touch with you to help. And please do let friends and family know about this resource, which is open to absolutely anyone and everyone.

With love in Jesus,

Andrew
